

## I Miss my Sister

By Aimee Lauren Baker

When Anna left I felt sad in my heart. I miss her so so much. I think of her a lot. I can't do my work sometimes. Its hard for me to do my work at school. I wish she can come back to live with us. I wish she can email me like Jack promised us. I wish she can come to my birthday party tomorrow. Its makes me so sad. I love Anna so so so much. Everyday I feel sad. I miss her so much.

She is my best friend ever. One time when I went to see her she told me that she doesn't like it there and she wants to come home. I felt so so sad for her. I think when we git big she can come and live with me for ever. We will feel happy for ever.

Anna says she is going to be my best friend for ever. I love Anna so so so much. She will be my best friend and sister for ever.
